

Child Protection Policy

Back Up believes that it is always unacceptable for a child or young person to experience abuse of any kind and recognises its responsibility to safeguard the welfare of all children and young people, by a commitment to a practice which protects them.

We aim to provide young people and children with a safe and supportive environment in which they can realise their full potential. Back Up, including our volunteers, uses our values to guide everything we do, including our partnership with each-other:

*Driven by the needs of people with spinal cord injury, we are **passionate** about transforming lives. Through **challenge** and **fun** we open up possibilities; to develop, achieve and get the most out of life. We **respect** individuality and embrace diversity. We strive for quality and **excellence** in all we do.*

We recognise that:

- The welfare of the child/young person is paramount
- All children regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity have the right to equal protection from all types of harm or abuse
- Working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare

The purpose of the policy and additional safeguarding procedures are:

- To provide protection for the children and young people who receive Back Up's services, including the children of adult members or users
- To provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or at risk of, harm.
- To provide staff and volunteers with guidance on appropriate interaction and communication with under 18's through face to face, on the telephone and online contact.

This policy applies to all staff, including senior managers and Board of Trustees, paid staff, volunteers and sessional workers, agency staff, students or anyone working on behalf of Back Up. It has been informed by guidance from the NSPCC and consideration of the legal and rights framework including:
